

## COLLOQUIUM ON GENETICS AND BIOGENESIS OF CHLOROPLASTS AND MITOCHONDRIA

The colloquium will be held at The Ohio State University, Columbus, Ohio, on September 5-7, 1974. The colloquium will be sponsored by the College of Biological Sciences. Papers to be presented are:

- Mitochondrial Biogenesis in Fungi*, H. R. Mahler, Indiana University  
*Mitochondrial Biogenesis in HeLa Cells*, G. Attardi, California Institute of Technology  
*Regulation of Chloroplast Membrane Synthesis*, J. K. Hooper, Temple University  
*Utilization of Nuclear and Mitochondrial Mutations in the Analysis of Oxidative Phosphorylation*, D. E. Griffiths, University of Warwick, England  
*Mutation Induction by Intercalating Dyes*, P. S. Perlman, The Ohio State University  
*Mitochondrial Genetics in Yeast and Ciliates*, C. W. Birky, Jr., The Ohio State University  
*Maternal Inheritance and Evolution of the Chloroplast Genome*, R. Sager, Hunter College  
*The Genetics of Plastid Variegation*, R. A. E. Tilney-Basset, University College of Swansea, Wales  
*Cytoplasmic Pollen Sterility and Plant Breeding Applications*, J. Laughnan, University of Illinois  
*Organelle Genes in Evolution*, S. G. Wildman, University of California at Los Angeles

For information about registration write to Colloquium, College of Biological Sciences, The Ohio State University, Columbus, Ohio 43210.

The Council of the Ohio Academy of Science at its April 25th meeting has approved the following schedule of page charges, starting with the July 1974 issue of the Ohio Journal of Science.

First four pages in any one volume (year).....	No charge
Second four pages in any one volume.....	\$17.50 per page
Pages in excess of eight pages.....	\$35.00 per page

To avoid any misunderstanding, it should be made clear that payment of page charges is in no way a condition for acceptance or rejection of any manuscript. Authors will be asked, after acceptance of their paper, to indicate if they have funds available to pay for the page charges. In the event that the author (or authors) can substantiate his inability to pay page charges, he will have the right to petition the Executive Committee of the Ohio Academy of Science for reconsideration of the page charges relating to the accepted manuscript. We believe that a mechanism will be set up to deal with such petitions rapidly and equitably.

M. A. Lessler, Editor
